PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C., 20231

Dear Sir:

Before examining this application on the merits, please amend the application as follows:

IN THE CLAIMS

Please cancel claims 1-14, and add the following new claims 15-58:

15. (New) An invasive catheter assembly, comprising:
- an elongate catheter; and
- an expandable electrode body mounted proximate one end of the catheter, the electrode body configured to form a pronounced ring when expanded, the pronounced ring
